

_____ was converted to Christianity and it became the state religion in the fourth century. Today, Rome is the home of the _____.

 Explain = describe

(m) Explain **three** achievements (accomplishments) of an ancient or medieval civilisation that you have studied.

Exam Tip!

1. Name the ancient or medieval civilisation.
2. State each achievement.
3. Explain each achievement.
4. Make sure that you select achievements that you can write 4-5 lines on.
5. Provide **specific examples** where possible.

Example:

1. Ancient Rome
2. Concrete
- 3, 4, 5.

The Romans mixed lime with volcanic ash and rocks to create an early form of concrete for building. Because of this, some of their biggest buildings such as **the Colosseum** and **the Pantheon** are still standing. (36 words)

Ancient or medieval civilisation: Ancient Rome

Achievement 1: ^{achievement} Concrete - The Romans mixed lime with volcanic ash and rocks to create an ^{exploration} early form of concrete for building. Because of this, some of their biggest buildings such as the ^{example} Colosseum are still
